

**Mill Creek Watershed  
Council of Communities  
Presents**

**~Celebrate the Creek~**

Please join Mill Creek Watershed Council of Communities at the Cincinnati Zoo for a happy hour highlighting the Mill Creek's potential to be an asset to our communities.

- ❖ Networking and socializing with colleagues from local corporations, municipalities, county & city agencies, engineering/ architecture/ landscape architecture firms, master gardeners, and nonprofit organizations
- ❖ Enjoy an evening in the garden (a rain garden of course!) with appetizers and refreshments at the Silver LEED certified Schott Education Center
- ❖ Learn about the Council's projects in flood reduction, stream restoration, storm water management, and public outreach (including what's all the buzz about Green Infrastructure?)
- ❖ We'll show our appreciation for our fantastic members and get together with old friends and new
